Within 4 weeks after the end of the funding period	
<input type="checkbox"/>	Upload the experience report via the MoveON portal (please use the template on the website) and send an e-mail to auslandsstipendien@uni-duesseldorf.de stating that you have done so. <u>Please ensure</u> that you login with the same e-mail address as for your application. This is the only way to ensure your report can be linked to your stay.
<input type="checkbox"/>	ONLY for study/research stays and traineeships: Send the ORIGINAL confirmation of the total duration of stay to Ms Brückner, HHU, International Office, Bldg. 21.02, 40204 Düsseldorf, Germany <u>Please note:</u> The total duration of stay must be confirmed after the end of the funding period . 	Insofar as the actual duration of stay is shorter than the duration of stay stated in the Grant Agreement, the International Office will modify the total funding amount accordingly. 	<i>After you have submitted the documents, you will receive the 2nd instalment of your grant (20% of the total funding amount)</i>
	If the requested documents are not submitted before the deadlines, the grant will be cancelled and you will be requested to repay any amounts already received.
	Please note that the deadlines relate to the <u>funding period</u> stated in your letter of acceptance. This means that the funding period may not necessarily match the actual duration of your stay abroad.

Changes in the event of follow-up funding for the same stay

	If you have been awarded a second/follow-up grant, the following changes apply with regard to the submission of your documents. The application process remains the same. If not listed below, you must submit the same documents as already stated. In the case of follow-up funding, you will not receive an allowance for travel costs if the funding applies for the same stay.
<input type="checkbox"/>	In the event of a second grant, you can continue to use the Letter of Confirmation from the first funding period for study/research stays and traineeships . Informing the International Office of this by e-mail is sufficient.
